**In a survey of Heads of Maths who use 10ticks:**

99% would recommend the worksheets to a colleague in another school.

90% said that the worksheets have positively motivated their students.

82% said that the use of the worksheets had contributed to an increase in the standard of teaching in their schools.

Survey conducted by Manchester Metropolitan University Business School. See website for full details.

"An excellent resource full of stimulating worksheets and some superb games - it wasn't just the pupils who enjoyed them! If you're looking for a superb resource - look no further than 10ticks, Algebra has never been so much fun!"

Sue Hughes, Myton School, Warwick.

"An extraordinary resource. Quite the richest and most comprehensive set of worksheets I have ever seen. Varied and interesting."

Pete Davies, Dormston School, Dudley.

"Fantastic worksheets at a great price, 10ticks has made my life so much easier. The result - better resources, more quality planning, more actively engaged students. I would recommend these worksheets to anyone!"

Liam Wegg, British School, Muscat.

#### The Worksheets

Thorough coverage of the National Strategies Mathematics Framework for ages 5-16.

All topics covered for the two-tier GCSE for Year 10 and Year 11, with over 3000 pages of high quality worksheets from **Level 1 to A\* GCSE.**

Consolidation material through graduated questioning, investigations, puzzles and games. Sold by National Curriculum levels, written by maths specialists.

Year 1 and Year 2 worksheets are referenced, page by page, to the Primary Framework as set out on the National Strategies website. Level 1 and Year 1 are sold together. Level 2 and Year 2 are sold together.

Buy your own teacher licence for personal use with your classes or for private tuition. Each level only £38 +VAT. Free p&p for UK orders. Order through the website only.

*(See terms and conditions on licence usage on website).*

#### Licences Explained...

**Teacher licence:** For use only by the teacher named on the worksheet.

**School licence:** For use by any teacher in the named school as photocopies. Can be put on a secure intranet for viewing on computers or whiteboards (within the named school).

**VLE Licence:** Can be put on the school VLE so pupils can access 10ticks worksheets from home. Worksheets are split into 1-page PDF's ready to be uploaded to your VLE. These pages are not editable. The VLE licence can only be purchased as an upgrade from the School licence.

The **Primary School Bundles** are discounted bundles only available to Primary schools (school oldest year group is Year 6) or schools with less than 100 pupils in total.

**One off Licence fees:** Pay once and use forever. No annual charges.

•Licenses are non-transferrable. If your school changes to an Academy, you will have to buy again.

•Price includes packs personalised for your school, put on CD-Rom for easy storage and postage (UK only).

•The first time you lose/misplace your CD-Rom we will replace it free of charge!

Our **Calculated Colouring** pages provide over 120 pages of drawings. Students answer the question and colour the section. Targeted at the National Curriculum Levels 1-6.

The Year 7, 8, 9 **half-termly Key Stage 3 Unit Tests** are broadly based on the Sample Medium Term plans for maths from the KS3 National Strategy. Each half-termly test is delivered at three Levels; Support, Core and Extension.
